EU Declaration of Conformity for Packaging within the Meaning of the PPWR

Prepared in accordance with Article 39 and Annex VIII of Regulation of the European Parliament and of the Council (EU) 2025/40 on packaging and packaging waste

4. Manufacturer's Declaration

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer. The manufacturer declares that the packaging identified in Section 3 of this declaration complies with the applicable requirements of Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste. The conformity assessment was conducted in accordance with Article 38 of Regulation (EU) 2025/40, and the technical documentation has been prepared and is maintained in accordance with the requirements set forth in Annex VII to that Regulation. This EU Declaration of Conformity has been drawn up in accordance with Article 39 and Annex VIII of Regulation (EU) 2025/40.

5. PPWR requirements covered by the declaration

Check the appropriate status for each PPWR requirement applicable to the packaging.

EU Declaration of Conformity for Packaging within the Meaning of the PPWR

Prepared in accordance with Article 39 and Annex VIII of Regulation of the European Parliament and of the Council (EU) 2025/40 on packaging and packaging waste

6. Technical documentation

The conformity assessment was conducted on the basis of technical documentation containing relevant information and evidence confirming compliance with the PPWR requirements, in particular:

- material and design specifications
- declarations and information obtained from suppliers
- test and analysis reports (if applicable)
- design documentation
- an assessment of compliance with PPWR requirements
- assessment of recyclability (if applicable)
- assessment of the content of recycled materials (if applicable)
- labeling documentation
- other documents confirming compliance

This declaration has been prepared on the basis of technical documentation made available to the competent market surveillance authorities in accordance with therequirements of Regulation (EU) 2025/40.

7. Standards, specifications, and reference documents applied

(if applicable) The conformity assessment was conducted using the following harmonized standards, technical specifications, guidelines, or other reference documents:

- Technical Data Sheet
- Route Sheet
- Printing Approval Sheet
- Test and Analysis Reports
- Declaration of Conformity
- Recyclability Assessment

8. Additional applicable legal acts

Check the legal acts applicable to the packaging.

☒Regulation (EC) No. 1907/2006 (REACH)

9. Declaration of Continued Compliance

The manufacturer ensures that the product's design, manufacturing, and control processes maintain the packaging's compliance with the requirements of Regulation (EU) No. 2025/40 for all products covered by this declaration.

The manufacturer monitors changes in design, materials, technology, and changes in legal requirements that may affect the packaging's compliance.

10. Updating the Declaration

This declaration remains valid provided that no changes are made to the design, materials, manufacturing processes, or functionality that could affect the compliance of the packaging.
The manufacturer undertakes to update this declaration in the event of:

- changes affecting the packaging's compliance
- changes in the legal requirements applicable to the packaging
- new information affecting the conformity assessment
